c) Tender should visit the work place before quoting the rates.

3. Validity of quotations:

The quotation shall remain valid for a period not less than 60 days after the deadline fixed for submission of quotations.

4. Evaluation of quotations:

The purchaser will evaluate and compare the quotations determined to be substantially responsive i.e., which are properly signed, and confirm to the terms and conditions and specifications in the following manner.

- 1) The evaluation will be done including the all tax and statutory recoveries. If the tenderer has included the tax in his quotation for the item rate, and has also not indicated the rate of tax applicable, the quoted rate will treated as though it is inclusive of the all tax and statutory recoveries no extra payment for tax will be made.

5. Award of contract:

- a) The user will award the contract to the tenderer whose quotation has been determined to be substantially responsive and who has offered the lowest price as per Para 5(b) above.
- b) The user reserves the right at the time of contract award to increase or decrease the quantities of the item indicated in Para 1 above by 25% without any change in the unit price or any other terms and conditions.
- c) The user prior to the expiration of the quotation validity period will notify the tenderer whose quotation is accepted of the award of contract. The terms of the accepted offer shall be incorporated in the purchase order.
- d) Notwithstanding the above, the user reserves the right to accept or reject any quotations and to cancel the quotation process and reject all quotations at any time prior to the award of the contract.

e)

6. Last date and time of receipt of quotations:
